

SERVICES

● FILLING YOUR STAFFING NEEDS

PATH has been helping businesses meet their staffing needs with qualified applicants with disabilities for more than twenty years in a variety of positions. Also, PATH provides a Job Coach who works side-by-side to train each new employee. This is to ensure that the job duties are performed to your satisfaction.

● HELPING YOUR BUSINESS

PATH provides you with Employees who are:

- Pre-screened to meet your job requirements
- Reliable workers dedicated to your company
- Motivated to get the job completed for you
- Interested in becoming a dedicated and long-term employee with your company

Hiring employees through PATH includes added bonuses for your company at no additional cost:

- PATH provides a highly trained professional Job Coach who works in tandem with your newly hired employee with a disability, ensuring that the job duties are completed to your company specifications
- Continued availability of a PATH professional to assist as your company's staffing needs evolve
- Enhancement to your company's public image through diversified staffing
- A federal tax credit to a maximum credit of \$2,400 for new employees who meet the proper criteria
- Reduction of your training expenditures

Our candidates can work within a broad spectrum of positions and environments.
